University of Illinois College of
Law (JD); Associate Editor of the
University of Illinois Law Review
University of Southern California
(BS, Electrical Engineering)

Reza Mirzaie is a partner at Russ August & Kabat. Reza's practice focuses on various areas of intellectual property litigation, including patent, trademark, and trade secret litigation. Reza has litigated patent and trade secret disputes involving a variety of technologies, including computer software, hardware, digital signal processing, and elevator dispatch systems.

Reza is a registered patent attorney licensed to practice before the United States Patent & Trademark Office. Complementing his litigation expertise, he has worked on numerous prosecution and post-grant matters before the USPTO.

Reza has been recognized numerous times as a "Rising Star" by Super Lawyers Magazine. In 2015, Reza was recognized as a Southern California Top 100 Rising Star. Moreover, widely read journals, blogs, and other legal publications have published Reza's various articles on cutting-edge IP issues.

Reza is an accomplished litigation attorney with significant trial experience. Included among his representative matters are:

- *Core Wireless Licensing S.A.R.L. v. LG Electronics (E.D. Tex.)*. Trial counsel to Core Wireless in two matters against LG with respect to fundamental telecommunications and graphical user interface patents. Obtained verdict of willful infringement and running royalties of 6 cents per unit with respect to U.S. Patents 7,804,850 and 6,633,5.
- *Inventio AG v. Otis Elevator Co.* (S.D.N.Y.). Represented Plaintiff Inventio in a patent infringement lawsuit involving destination dispatch elevator systems. Obtained jury verdict that Otis infringed all asserted claims and that all infringed claims were valid.
- *In the Matter of Certain Notebook and Components Thereof* (I.T.C.). Represented Complainant Toshiba Corporation in a patent infringement investigation involving notebook computer products. Just before trial and after defeating each summary judgment motion brought by Wistron, the case settled with Wistron paying for a license under Toshiba's patents.

- *iRise v. Axure Software Solutions, Inc.* (C.D. Cal.). Represented Plaintiff iRise in a patent infringement lawsuit involving prototyping products for software visualization. Obtained summary judgment that Axure infringed asserted claims and successfully defended against summary judgment of invalidity and non-infringement.
- *CSIRO v. Toshiba, et al.* (E.D. Tex). Represented Defendant Toshiba America Information Systems in a patent infringement lawsuit involving IEEE 802.11 wireless products. Obtained favorable settlement from Plaintiff during jury trial.

Prior to joining Russ August & Kabat, Reza was a partner at Knobbe Martens LLP.
